

Item	Name of emulsion			Main usage
	Type		Symbol	
1	Fast-breaking bituminous emulsion	with 60% pure bitumen	EBCR 60	Priming, painting, repairing through successive spraying, fixation of geo-synthetic materials
		with 65% pure bitumen	EBCR 65	Penetration with bituminous emulsions; Bituminous treatment
		with modified bitumen	EbmCR	Simple or double bituminous treatment
2	Medium-breaking bituminous emulsion	with pure bitumen	EBCM	Precoating of crushed rock Recycling mixes
		with fluxed bitumen	EbfCM	Preparing storable asphalt mixtures
3	Slow-breaking bituminous emulsion	with pure bitumen	EBCM	Preparing or cold recycling of storable asphalt mixtures
		with fluxed bitumen	EBfCM	Cold applied thin bituminous courses; Cold recycling of asphalt mixtures
